

Bridges for Bethlehem's "Bridges of Hope" Initiative:

*"I alone cannot change the world, but I can cast a stone into the waters to create many ripples."
St. Mother Teresa of Calcutta*

Bridges for Bethlehem is a US registered, 501 c (3) nonprofit charity seeking to mimic our patroness, St. Mother Teresa of Calcutta who offered God's love to all people regardless of race or religion.

By way of our "Bridges of Hope" initiative, we are able to help at-risk children in the Bethlehem area. To aid us in this worthy endeavor, we ask pilgrims to pack one or two small bottles of children's vitamins in their luggage.

Our partner, and registered tour guide, Saeid, will meet your group in Bethlehem to collect the gifts. Saeid is also available to answer your questions.

When each person in a tour group brings just one small gift, we are not only able to bring lots of charitable help to the neediest in Bethlehem, but most importantly, together we are working to build a *bridge of hope*, that says, "you are not forgotten."
